

To all our dear patients, families, and community,

We are dedicated to keeping you safe and healthy during this tumultuous time. In accordance with Maryland state dental guidelines and the recommendations of the CDC, Minahan Orthodontics is transitioning to “emergency care” only please, effective March 16<sup>th</sup> through to April 6<sup>th</sup> in the spirit of limiting client exposure to the highly contagious COVID-19 virus.

We truly appreciate your patience as the situation and recommendations evolve daily. Our goal is to return to the practice for you as soon as is deemed safe for our community.

If you do face a true orthodontic emergency requiring immediate attention, please contact us ([301.260.2030](tel:301.260.2030)) and Dr. Minahan will help you manage the issue at hand. Please feel free to contact her with any questions or concerns as well either via voice message, text message or email ([Team@MinahanOrtho.com](mailto:Team@MinahanOrtho.com)).

No doubt, this poses a challenging time for all. We thank you for your support and understanding as we aim to provide the very best and safest orthodontic care possible.

*Wishing you health!*
